

SUPPORTING REGISTERED APPRENTICESHIP

2023 IOWA APPRENTICESHIP ACT (15C) FUNDING

Iowa's leading Registered Apprenticeship Programs help employers create a reliable, continuous pipeline of highly skilled workers while helping talented students jump-start rewarding careers.

The Iowa Apprenticeship Act (15C) provides annual funding to support the growth of new Registered Apprenticeship programs, particularly programs that feature high-demand occupations. These competitive grants are available annually for RA programs that create a new program with an eligible high-demand occupation or add an eligible high-demand occupation to their existing program.
